- **EMRE OTOMOTIV** vehicle parts are not offered as original spare parts but they are our own products. We guarantee highest quality and full interchangeability.
- Alterations will be given by issuing a new catalogue. When changing please observe the date of issue. The invalid catalogue is to be thrown away immediately.
- In case only the original number of the vehicle manufacturer is known the parts can be determined by means of the list showing the original numbers in comparison with the **EMRE OTOMOTIV** nos.
- The information contained in this catalogue has been compiled carefully by means of documentations and information available. However, we do not accept any responsibility in case of errors or omissions. We reserve all rights to make technical changes.
- The original number of the vehicle manufacturer may be used for comparison only, and must not be mentioned on invoices to vehicle owners.
- A reproduction –also in extracts- is only permitted with the written approval of **EMRE OTOMOTIV**.
